HARVEY CLEAN UP TEAM!

How can members of HHPC volunteer to help with the clean up from hurricane Harvey? I am in contact with Samaritan's Purse. They will need specific information with regard to our team: dates we are available to come, how long we can stay, how many are on our team, etc. I am asking for anyone who is so interested to send me an email or call me so we can begin to form a team and I can keep them informed. It will be an ongoing mission of love. My contact info is: barbjames51@gmail.com 901.356.5743. Thank you. Blessings! Barb James. Note: Barb left Thursday & will be working in Houston for a week. Hopefully, the next time she goes, she will be taking an HHPC team.
